

## ***Exmouth Cadet 2020***

Dear David

21<sup>st</sup> January 2020

Hope you are well.

Tonight, Petty Officer Skene and our Chairman Mr Mike Coupland presented Cadet Luc Trainer with the HMS Exmouth Cup.

Luc joined the unit two years ago and has made massive strides in self confidence and ability. He really has done himself proud and has been a credit to the unit and I am sure he will uphold the honour of being our Exmouth Cadet.

Tonight's presentation was very poignant as we presented the cup on the 80th anniversary for HMS Exmouth.

As a mark of respect to the significance of today, the White Ensign flew at half mast in the town centre, flags at the harbour and the lifeboat station also were flown at half mast.

At present the unit is going through a bit of a rough patch however we are endeavouring to sort things out and hopefully move forward.

Best Regards

Mark Cormack

Officer Commanding TS Campbell, Wick.

Former 'Exmouth Cadets' since 2015 are Cadets: ***Nicholson, Bremner, Grant, Henderson and Skene.***
