

## Exmouth Cadet Trophy

January 2017: Cadet Stuart Grant receives the Exmouth memorial trophy from Petty Officer H. Leith, TS Campbell, Wick's Sea Cadet Corp unit.

***'The importance and privilege of holding this office is reiterated, understood and accepted'***, is a line from the email I received from PO Mark Cormack, Officer Commanding TS Campbell, advising on this year's award.

The following passage is taken from the letter I received from previous Exmouth Cadet, Danny Nicholson, who wrote;

***'I have been proud to serve as the Exmouth cadet over the last year. I was privileged to lay the wreath at Wick Cemetery on behalf of (your) association on Remembrance Day.'***

***'Prior to attending the parade.....myself, Petty Officers Cormack, Rosie and Ordinary cadets Rothera and Cormack observed a minutes silence at the plaque on Exmouth House, Wick'***

***'I was very proud to get the Exmouth Cadet award and my mum and dad are proud too.'***

The first award was made following our Associations affiliation with TS Campbell. To date the recipients have been: 2015 Cadet Danny Nicholson, 2016 Cadet Bremner, 2017 Cadet Stuart Grant.
